

Palm Sunday Procession

1st through 5th grade students participate in the procession of the palms following Divine Liturgy.

- Immediately after receiving Holy Communion, these students and their teachers go directly to the Fellowship Hall.
 - The teachers wait with the children and get them in line for the procession.
 - Bagels are provided for students to eat while they wait.
 - It is also helpful if teachers bring a picture bible or a storybook on Palm Sunday and Pascha to read to the children.
 - When cued, teachers will lead their students up the spiral staircase by the baptismal font area when the procession begins.
 - The procession ends with the children on the solea.
 - After the blessing of the palms, children are dismissed back to their pews.
 - There is no church school on Palm Sunday.
