

Christmas Pageant

Church school presents a traditional pageant involving all grades. It is performed after Liturgy in the church either on the first or second Sunday in December.

- Each grade performs a traditional Christmas song, which is rehearsed during church school on several Sundays in November.
- The Christmas pageant rehearsal takes place the day before the pageant and is mandatory for all participants. This allows all children to learn the program and practice in church.
- For N3 through 5th grades, one church school teacher should plan to attend the rehearsal to assist pageant coordinators in the classroom. Additionally, one teacher from these grades should be present in their classroom following Holy Communion on the day of the pageant to assist children with their costumes.
