6:30pm Meet & Greet with light food fare

7:00pm General Meeting

7:30pm Guest Speaker plus a Q&A follow up

Dr. Jenna Karagianis Nikolaides, Saints Peter and Paul Parishioner, is an Emergency Physician & Medical Toxicologist. She has recently returned from Edinburgh, Scotland after having spent a year at the Royal Infirmary of Edinburgh working as a physician and researcher in medical toxicology.

Dr. Nikolaides will explain the opioid epidemic and the work of Medical Toxicologists & The Illinois Poison Center. She will also speak on current trends in drug abuse, including legal marijuana, vaping & the role of the internet in drug distribution.

ALL ARE WELCOME!
