VOLUNTEER AT HOME

As a precaution to prevent the potential spread of COVID-19, SS. Peter and Paul and the Chicago Metropolis Philoptochos have decided to cancel the Annual Lenten Quilt-A-Thon originally scheduled for Saturday, March 28th. Based on calendar availability we may reschedule the event in the summer.

In the meantime, we encourage you to contact us if you would like to work on some of the blankets at home. Most of the work has already been done. Together we will be able to complete this project and donate our completed blankets to the Linus Project!

Select from:

Fleece/no sew blankets that only require tying.

Or, completed flannel double sided squares that need embroidery thread to tack the pieces together.

We would be glad to drop off the supplies or have bags available at church.

If you are interested in doing some "at home volunteerism" please contact Tru Bazianos at 773-744-7986 or email pbazianos@yahoo.com

Thank you for your understanding. For those who have made donations, rest assured it has and will go to future purchases of fabric and supplies.
